81904 \$29 **\$24**

HOMEMADE BUTTER

Yields: ½ cup
Serving size: 1 tbsp.
Prep time: 5 mins.

INGREDIENTS

- 1¼ cup heavy cream, cold
- ¼ tsp. salt
- 1 garlic clove, minced, optional
- 1 tbsp. parsley, chopped, optional
- ¼ tsp. lemon juice, optional

DIRECTIONS

1. Combine ingredients

In base of Whip 'N Mix Chef, add heavy cream and place switch on gear 1. Turn handle until cream looks curdled and there is some resistance. Switch to gear 2 and continue turning handle until white liquid is visible in base (this is buttermilk separating from butter fat).

2. Strain liquid

Strain liquid and store for later use.

3. Form and rinse

Using gloves, gather butter from base of Whip 'N Mix; form into ball and rinse under cold water, pressing gently to remove excess buttermilk.

4. Season

Place butter in base of Whip 'N Mix, add salt and if desired, additional ingredients. Turn handle on gear 1 until well combined. Transfer to Snack Cup and store in fridge until ready to use.

Whip it up

Everyone knows bread is just a vehicle for butter

Scan to see it in action!
