### Feliz Mes de la Herencia Hispana! Happy #HispanicHeritageMonth!

Officially kicking off on September 15th, through October 15th, we celebrate #HHM to recognize the contributions and influence of Hispanic Americans on the history, culture and achievements of the United States. Join us in celebrating on social media with a curated "Road Trip" recipe series from our Culinary Expert, Dia Lugo, highlighting traditional dishes from Hispanic countries across the globe. Starting today and every Wednesday through our celebration, you can find a new Hispanic recipe video on TuppSocial (under the 'Product Videos' category). The recipe will be featured within the Posting Tips section in English, Spanish and French - and will highlight products currently available within the Fall/Winter catalog. ¡Salud!

### TuppCard by PayQuicker

TuppCard by PayQuicker, the new and only way to be paid at Tupperware! Please see below for all the details.

Please note that your email address in My Office will be used to notify you of a payment waiting. It is very important that you validate/update your My Office profile with a unique email address so that your commission payments will process smoothly. When you earn a commission for the first time, an email is sent to the email address in your profile, please ensure it is unique and up-to-date so that your funds are not held up.

Your unique email address in My Office must match your TuppCard by PayQuicker account email address for the first time only. After you receive your first commission payout, if needed, you can change the email address in your TuppCard by PayQuicker account. Our recommendation is to keep both the emails for My Office and TuppCard by PayQuicker the same to avoid any issues. As a friendly reminder, Tupperware covers fees up to \$4.00. The transaction fees covered are transfers and paper checks. Please see the updated fee schedule and Q&A for more details.
